THE BIG IDEA | God made me to do great things.

- *God made* **you** to be really great at all kinds of different stuff. God made each and every one of **you** to have **your** own unique gifts and talents, and with all of those gifts and interests and abilities and talents, God wants **you** to do amazing things! That's right, God made **you** to do great things.
- Let's all yell it as loud as we can: **God made me to do great things!**

BIBLE STORY | Matthew 25:14-30

- **INSTRUCTIONS:** *Retell the Bible story from Matthew 25:14-30 then ask your child questions about the story to help them understand.*
- **What did the first two workers do with the boss' money?** They went and made more money!
- **What did the last worker do?** He was scared to lose it so he hid it in the ground.
- **Who was the boss happy with?** The boss was so happy with the workers who helped him make more money. He was angry at the worker who didn't do anything at all.
- God doesn't give us bags of money, but God gives us talents and abilities that make all of us special!
- Maybe God made you really strong or really fast. Maybe God made you to be good at art, or maybe in sports or in music. God wants us to do great things with those gifts!
- What are some things you can do with your gifts from God?
- **What happens if we don't share our gifts with others?** Our friends may not get to learn about Jesus.
- **Does God want us to bury our money and our good abilities?** No, God wants us to use our money and our good abilities to help people learn about Jesus.

PRAYER

- Let's spend time talking with God in prayer.
- **Dear God, thank You for all of the special gifts You give to us. Thank You for making us good at so many things. Help us to use those things to help people know You better.**

ACTIVITY | Talent Show

- **INSTRUCTIONS:** *Give the kids time to pull out any kind of costume and props out of a prop box. Give each kid time to perform one of the talents they have, or a made up talent. Parents and siblings can do this, too! The sillier, the better!*
- You are so creative! You were able to come up with some really awesome talents for our talent show.
- Maybe you don't know what your special talent is quite yet, but it's important you try new things to see what you are really good at!
- This week, try to think of some things you are good at and why God picked you to have that special talent!
- **Are you really good at hopping?** Yes, you are good at hopping.
- **Are you really good at singing?** Yes, you are good at singing.
- **Can you hop and sing for Jesus?** Yes, you can!
- **God made me to do great things.**
