

# Missions Update

## Fall 2022

Spotlight:  
Team is back  
from Thailand!

### Tom and Jing Ruangold (Thailand)

Along with their sons Nemo and Joshua, are missionaries in a village in Thailand called Bueang Kan. They have a very vibrant and growing ministry there, and we were happy to be able to send a group out to visit them in September. We are looking forward to sending a larger group to go help them with a few things possibly next winter.

We have some video updates and a debrief from the recent trip coming in January. Stay tuned!

## Brian and Bailey Pruett

along with their kids Maycie, Dylan, and Cole are missionaries originally in the Philippines, relocated to the Arizona training base. Brian is in the Philippines for two weeks right now (the first time since 2019, since they were unable to return to

their home when covid hit during their furlough), training and setting up the pilots to sling load cargo into church planting areas. He's then headed to Papua New Guinea to facilitate some training there also. The whole family is doing well and continuing to have fun and be a light in their local mountain biking team. Learn more at <https://ethnos360.org/missionaries/brian-and-bailey-pruett>. We would also love to have a missions trip to Arizona in 2023!

## Delta High School

is an ongoing place we seek to share the love of the Lord throughout every school year.

Here are some plans we have for the rest of the year:

We are providing raffle prizes for their School Thanksgiving Feast coming up. If you are interested in providing a fun teen raffle prize, please drop it by the church by November 15<sup>th</sup>.

We host their Holiday Store every December and are accepting donations now through December 4<sup>th</sup>. The most sought after items are toiletries, blankets, towels, jackets, socks, phone chargers, and great gifts for their family members. We also need volunteers to help wrap gifts and be around while kids shop December 5<sup>th</sup>-8<sup>th</sup>.

Lastly, we are putting on a nice Delta Staff Holiday Meal on December 9<sup>th</sup>. We need help making the food for the event.

If you are interested in helping with any of these things, please see the sign up forms on church center <https://ourelement.churchcenter.com/my/groups/delta-hs-outreach> or email Justine at [justine.cassaro@ourelement.org](mailto:justine.cassaro@ourelement.org).

### Kristal Melton

is part of a new ministry we have connected with called **International Students Inc.** Kristal oversees the Santa Barbara UCSB chapter. This organization exists to promote community within the international students with the goal to share the gospel with these students, who will then hopefully return home to their various countries and share the gospel there.

They invite the international students to American meals in a local volunteer's home twice a month, where they get a home cooked meal and break out into different discussion groups, including a Bible group option. From there, they offer weekly Bible studies to those who are interested. Their first meal this school year had 45 students attending! They currently have 8 students in the weekly Bible studies, where the Gospel is already being shared!

### Get connected

If you would like to give financially, as Kristal has to raise her own support and financial expenses for the group, or if you would like to see how you can volunteer in any way, or sign up for her newsletters, please connect at <https://www.isi-santabarbara.org/> or email Kristal at [kmelton@isionline.org](mailto:kmelton@isionline.org).

We sponsor a room in the **Project P.R.E.M.I.E. House of the Good Samaritan Shelter**. If you would like to help by donating and decorating the room with new bedding and some other room supplies one or two times a year, please email [justine.cassarou@ourelement.org](mailto:justine.cassarou@ourelement.org).
