Pruett Family

ETHNOS 360 | ARIZONIA

Element is headed to Arizona for a short-term missions trip to support Ethnos 360 and the Pruett family, missionaries we support that are stationed on a helicopter training base, working to train and equip pilots and families for overseas mission fields.

Our trip will be October 9-16th, and we could use your help! There will be work projects around the basecamp, and especially the Pruett's home/office. There will be opportunities to serve the family and those on base. Here are some project ideas that have been requested for Element to consider. Once we have a final list of members going, we will narrow our focus down. Accommodations are either on site temporary living quarters, or there are full hook ups for travel trailers/RVs.

Project Possibilities:

- *Set up/Remodel Brian's office.*
- *Tear out and put in new stairs and back porch (possibly a deck for the house), and replace the sidewalk.*
- *Put together A Gazebo kit for the Pruett's back yard.*
- *Install a water softener.*
- *Landscape front of home.*
- *Build a new shed on the current foundation, or Renovate the current shed with new siding and a unified gable roof. (This project is tentative due to timing and still working out details.)*
- *Create fun experience for kids at the basecamp.*
- *Group meal for all 80 short-term and long-term residents.*
- *Spend time with and minister to Pruett family.*

"The Mission is an outreach ministry under the Rescue Mission Alliance (RMA) which is headquartered in Oxnard. In total, there are four missions, two foodbanks, and six thrift stores under this umbrella. RMA leadership came to the decision for a rebrand to unify all the sites not just by name, but through refocusing our organizational mission statement and being intentional in joining each mission as one body that is working together throughout southern California to provide hope for individuals beyond their current circumstances."

The next quarterly volunteer meeting is coming up on August 8th, 5 – 6:30pm at Heritage Evangelical Presbyterian Church. Topics like the homeless outreach, holiday events, women's recovery program/fundraiser, and men's recovery program updates will be discussed. Dinner will be provided. If you would like to attend, please email Kelsey by August 4th at KTeves-Chang@erescuemission.org
