

REDEMPTION GROUP APPLICATION FORM

This form is your individual application for the upcoming Redemption Group, Spring 2020.

It's important that you understand that by applying to participate in a Redemption Group, you are volunteering to join as a participant. This is not a Bible study or training seminar. You'll be expected to dig in and share from your life in the Redemption Group experience. There's nothing mystical or mysterious about it, it's the gospel worked out in community, meeting in gender specific groups.

Childcare:

Childcare is not provided as part of the Redemption Group experience. We suggest and recommend childcare be done in your own home by a sitter, family, friends or members of your Gospel Community. Maybe you can trade with other families, helping each other out with childcare needs. If finding adequate care or finances for childcare are issues, please check the appropriate boxes. We realize childcare may be a need that would prevent you from participating in Redemption Groups and want to know.
